

STATEMENT OF SUBSTANCE OF INTERVIEW

The undersigned gratefully acknowledges the courtesies extended by the Examiner during the Interview of December 7, 2005. Applicant agrees with the statement that prior submitted amendments, hereby entered with the filing of this RCE, render the claims patentable over any art of record.

REMARKS

This Amendment, filed in further reply to the Office Action dated June 29, 2005, adds claim 36 to describe features of the invention more particularly. The claims are otherwise allowable for the reasons indicated in the prior Amendment dated November 29, 2005.

Applicant submits that with the allowability of claim 1, which has been deemed generic, the remaining non-elected claims should be rejoined and allowed in the present application.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
